ANGELS ROUND ABOUT US

Words: Jean Galbraith Music: Ian Hyndman

Unison

The musical score is written for a unison voice part and a piano accompaniment. It consists of four systems of music, each with a vocal line and a piano line. The key signature is three flats (B-flat, E-flat, A-flat) and the time signature is 4/4. The lyrics are: 'An - gels round a - bout us thun - der in the hea - vens; tor - ment in dark pla - - ce - s, arm ies in the sky; But a green place round us, pas - ture and still wa - ter, Pre - sence of the ang - els with us 'til we die.'

Storms are long and bitter, sorrows past explaining,
Heedless feet can trample all we hold so fair,
But the angel's watching, know 'tis not for ever -
Watching in the shadows have us in their care.

If our eyes are holden, open them, we pray Thee,
Even in the tumult, quiet angels stand
Blessing us with beauty, shielding from destruction,
With the strength and safety of an outstretched hand.

Shield us from destruction - keep from desolation,
Should we die - what matter? Still we are secure.
Earth is full of terror, if your eyes are holden,
If your eyes are open, beauty must endure.
