# THE FUTURE JOY

Words: Colleen Simons

Music: Ian Hyndman

When the joy goes out of li - ving and the days are dark and long,  
May we see be - yond the dark - ness, turn our fa - ces to the light,  
May we see be - yond the pres - ent to a world that's free from sin,

In a world that's un - for giv - ing where we know we don't be - long.  
to a time of peace and safe - ty, To a time of pure de - light,  
When Your ways are kept by a - ll pu - re wor - ship will be - gin;

May we al - ways feel your near - ness, O most grac - ious God on high;  
For the dark - ness that surr - ounds us Soon will van - ish like a sigh,  
Though pressed down with trib - u - la - tion This sad state we know won't last,

On - ly You can give true com - fort while we live and when we die.  
And the tears that fain would drown us You will wipe from e - very eye.  
Round the cor - ner is Your King - dom With a joy that's un - sur - passed.
